ROLES & RESPONSIBILITIES

Overall Purpose

Lead and Motivate all staff to give a great dining service experience for our guests through ‘GUEST’; and manage their respective roles and responsibilities to ensure the restaurant’s efficiency and profitability. Responsible for the overall performance of the restaurant by ensuring the restaurant operates efficiently and profitably while upholding its good reputation.

Primary Responsibilities

1. Ensure all staff practice Good Personal Hygiene and look Presentable at ALL times, and uphold the reputation of the restaurant brand.
2. Ensure smooth restaurant operations through setting and enforcing high standard of food and beverage quality, hygiene and safety and customer service. Create a fun and healthy working environment for staffs to work in.
3. Work together with supervisors to inculcate a sales and service mindset culture through continuous motivation and development to achieve monthly sales target.
4. Minimise the food and beverage cost by working closely with the kitchen staff to reduce wastage and spoilage. Conduct random checks to ensure suppliers deliver the stocks that are fresh, high quality and correct quantity.
5. Minimise the labour cost by effective manpower planning of the full time and part time staff for daily operations. Take prompt action to reduce the number of hours of the part-timers and/or to clear leave/PH of full time staff.
6. Minimise the operational cost by analysing and take corrective action to reduce petty cash claims, utilities bill, transportation claims, equipment repairs, breakages and others.
7. Ensure accuracy and timely submission of paperwork to the Office. This includes payroll summary, invoices, breakages, cleaning schedule and others.
8. Conduct weekly/monthly meetings with restaurant staff to gather feedback and implement steps to improve efficiency and productivity.
9. Work collaboratively with the Marketing Department effective promotional activities and/or campaigns to drive sales

10. Identify training gaps and work with relevant department to meet the training requirements of the service and kitchen staff. Conduct training on product knowledge, sales techniques and customer handling.
11. Conduct quality control through random food tasting and observation before food is served. Work with the kitchen to ensure consistent and high standard of food served.
12. Identify and groom potential staff for promotion. Work with the HR department to assess, train, develop and coach to equip potential staff for higher positions.
13. Deal with problems and complaints beyond the supervisors' responsibilities and authorities.
14. Conduct interview (up to Supervisor position) and recruit suitable candidates to work in the restaurant
15. Ensure compliance to Account's Policy on handling cashiering, banking of monies, petty cash and float. Ensure petty cash and floats are kept balanced at all times. Make calculated decisions when using petty cash.
16. Ensure compliance to Restaurant Policies and Disciplinary Policy by All Restaurant Staff, failing which take appropriate corrective steps to counsel and discipline staff.
17. Ensure compliance to Governmental Requirements (NEA, MUIS and MOM) on certificates such as HALAL, Typhoid Inoculations, Work Permit cards and others.
18. Be Alert, friendly and helpful to guests at ALL times and be a Champion of Service Excellence.
19. Design workplace learning activities to boost productivity and job performance - eg, consistency in service standards
20. Work with supervisors to implement workplace learning activities in various teams
21. Evaluate workplace learning activities and enhance activities to ensure greater effectiveness
22. Perform Any other duties assigned to you by the Management from time to time.

Secondary Responsibilities

1. Systematically clear and approve Annual Leave in accordance to the manpower requirements. Do not accumulate unnecessary leave.
2. Deal with problems and customer complaints that have been escalated beyond the supervisors' responsibilities and authorities.
3. Work on a projects as assigned by Management
4. Attend company meetings and functions as and when required.
5. Conduct all roles in the absence of the Senior Supervisor

DECISION MAKING

(List down the areas of decision making)

1. Countersigning working hours and leave.
2. Recruit waiter/waitress, captain and Supervisors.
3. Offer dessert or up to 10% discount as part of service recovery
4. Conduct performance appraisal on junior staff to recommend increment, adjustment or promotions

REPORTING RELATIONSHIP

(Complete the chart, stating the titles of the job's superior, peers and subordinates)
