EXECUTIVE SUMMARY | LEADERSHIP ANGLE

Modern hospitality and beverage leader with over a decade of experience across luxury hotels, award-winning restaurants, and premium dining concepts across Singapore and Jakarta. Specialised in beverage-driven curated guest experiences, wine programme development, commercial beverage strategy, and collaborative hospitality. WSET Level 3 certified in Wines with proven success in increasing beverage revenue, curating wine and beverage activations, and leading high-performing service teams within Michelin-recognised and internationally branded environments. Passionate about contemporary hospitality culture and storytelling through food, wine, and beverage experiences. Guest-centric in approach, with strong focus on creating meaningful emotional connections through curated dining journeys, personalised service, and elevated hospitality experiences. Proven record of accomplishment in driving commercial success through operational and people leadership, revenue optimisation, and disciplined cost control. Brings strong expertise in beverage programme leadership, guest engagement, upscale dining operations, and people development within premium lifestyle hospitality environments. Focused on sustainable balance between commerce and community, as well as growth of the brand footprint.

PROFESSIONAL HISTORY

OUTLET MANAGER	MAY 2024 – PRESENT
PUBLICO RISTORANTE & SOCIAL BAR – INTERCONTINENTAL SINGAPORE, IHG HOTELS & RESORTS	

RESPONSIBILITIES:

- Reported directly to Director of Food & Beverage.
- Managed 20 direct reports across front-of-house operations.
- Directed end-to-end front-of-house operations for a high-volume luxury Italian dining venue under IHG Hotels & Resorts, ensuring operational excellence, guest satisfaction, and commercial performance.
- Collaborated closely with culinary and beverage teams within the property to curate wine & beverage pairings, guest engagement rituals, and premium beverage experiences aligned within the upscale dining positioning.

- Accountable for overall outlet business and operational needs including In-Room Dining & PTG (to-go); conceptualised and implemented business strategies to increase revenue and profitability.
- Led and developed a multi-disciplinary FOH leadership team, driving service consistency, staff engagement, succession planning, and high-performance culture aligned with luxury hospitality standards.
- Oversaw daily restaurant profitability through strategic management of labour cost, beverage cost, operational expenses, and revenue optimisation initiatives while maintaining premium guest experiences.
- Collaborated closely with culinary, marketing, and senior leadership teams to execute seasonal campaigns, wine & beverage activations, and guest engagement initiatives that enhanced brand positioning and revenue growth.
- Spearheaded implementation and continuous refinement of SOPs, service rituals, and operational workflows across hosting, reservations, dining operations, bar service, and guest recovery procedures.
- Managed VIP relations, high-profile guests, and key stakeholder engagements, ensuring personalised luxury hospitality experiences and strong guest retention.
- Analysed business performance through forecasting, financial reporting, guest sentiment analysis, and operational KPI tracking to support strategic decision-making and commercial success.
- Ensure consistent communication across all F&B areas through pre-shift briefings, staff meetings, and coordination with culinary team.
- Drove beverage and upselling strategies through menu engineering, wine program development, staff product knowledge training, and targeted sales initiatives.
- Partnered with reservation and revenue management teams to optimise seating strategy, table turnover efficiency, and peak-period operational flow using SevenRooms reservation systems.
- Maintained exceptional compliance standards across workplace safety, hygiene, food safety, and luxury brand operational requirements in accordance with IHG policies and local regulations.

KEY CONTRIBUTIONS & ACHIEVEMENTS:

- Played a key role in positioning the venue as one of Singapore's recognised premium Italian dining destinations through operational leadership and guest experience excellence
Contributed to commercial growth through data-driven operational planning, service innovation, and revenue-focused guest experience strategies
- Responsible in quarterly revamped of Beverage & Wine Program, increasing Beverage Sales by 3%-5% MoM in 2025.
- Successfully kept Actual Beverage Cost at 24% below in YTD 2026 MoM
- Established and kept a positive 4.8 online rating via Google for eight (8) consecutive months in a row and achieved a consistent 5.0 score on SevenRooms Guest Satisfaction Summary in the year of 2025.
- Generated \$310,000 revenue for the 2025 Fiscal Year (to April 2025) through the introduction and implementation of a Sommelier Selection list and Coravin list in the 2024–2025 Restaurant Wine List.
- Maintained and achieved excellent Guest Love Metrics Scores at 92.1% for Breakfast & 98.5% for Dinner Service/Meal Period overall on GSI Scores YTD for 2026.
- Improved TripAdvisor ranking to **#7** from **#10** amongst **Top 10 Italian restaurants in Singapore** listing via TripAdvisor.
- Ranked **#84** out of 11,800+ restaurant listings in Singapore via TripAdvisor 2026. Maintained within the **top 0.7%** of all restaurants across the entire island.
- Spearheaded service restructuring during peak dinner periods, optimising station allocation, workflow, and resulting in improved table turnover efficiency and reduced guest wait times despite labor constraints.
- Implemented a pre-shift structured briefing system incorporating daily focus KPIs, revenue drivers, and VIP tickets, improving team alignment and upselling performance.
- Drove Average Check growth through targeted upselling strategies, wine pairing recommendations, and premium product positioning.
- Strengthened & developed guest recovery and service excellence framework, contributing to sustained high online ratings and repeat guest retention.

HEAD OF OPERATIONS
